ASKS DIVORCE AND \$100,000

Young Lawyer Meyers Catharine Mooney Jumps Accuses Rich Bachelor of Wrecking Home, byterian Institution.

MARRIED FIVE YEARS

Wife Denies Charges and Brings a Counter Suit, Alleging Cruel Treatment.

Sidney S. Meyers, a young attorney, Seligman before their marriage in 1900, for an absolute divorce, and insti-dentally has brought an action for of the fall season, suffered a nervous 1900,000 against Affred Hirshman, a breakdown. Her physician advised that wealthy bachelor living with his mother she be sent to a hospital, and she at West End avenue and Eighty-first was admitted to Presbyterian on Nov. Wall street.

Complaints in both actions have been erved by Levy & Unger, and answers put in, the young wife, through Otto Horowitz, denying her husband's charge and bringing a counter suit for a sep aration on the ground of cruelty. Hirshman also denies the allegations against him in the alienation suit.

Abraham Levy appeared before Jus tice Fitzgerald in the Supreme Court to-day to oppose Mr. Horowitz's appli cation for \$50 weekly alimony and \$750 counsel fee, and the young husband, ollow-eyed, haggard and sorely disressed, hung about the court-room in despondent mood. The argument was postponed until Jan. 5, and the lawyers tention to her. There are two iron declined to discuss the case.

Husband Tells His Story.

Young Mr. Meyers, however, made statement of his troubles. He said that face of the roof, during the five years of his married life he had been made to live in "a fool's paradise" for nearly three years. He said his request for an explanation on her return from the Delaware Water Gap resulted in her going home on Sept. 15 to her father, Adelph Seligman, of the Credit American' In demnity Company. Who lives at the from which supplies were being taken Claremont Hotel, One Hundred and to the hospital store-house.

'With Vinol, however, everything is changed. By a modern method of chemistry you get all the medicinal curative elements found in cod liver oil, in a highly concentrated form, and, best of all, without a particle of grease, which has no value either as a food or medicine.

'The reason Vinol can accomplish so much more good than cod liver oil or emulsions, is because it is so easily assimilated the weakest stomach can retain it; thus it enriches and purifies the blood and strengthese every organ is the body to do its work as nature intended.

'In all cases of chronic coughs, bronchitis, severe colds, rundown condition, loss of appetitie, all derangements of the stomach, ets., we guarantee Vinol to cure, or return your money if it fails.'
